PRODUCT DISCLOSURE SHEET

(Read this Product Disclosure Sheet before you decide to take-up the Ijarah Thummal Bai' (ITB) Financing. Be sure to also read the terms in the Letter of Offer. Seek clarification from SME Bank if you do not understand any part of this document or the general terms)

Ijarah Thummal Bai' (ITB) Financing

Date : _____
(to be filled by Relationship Management)

1. What is the Product about?

ITB is a leasing facility whereby the Bank (lessor) leases out the identified asset to the customer (lessee). Customer will then use the asset to run their business and generate sales. At the end of the lease period, the sale of lease asset from the Bank to customer shall be effected by way of conduct (Mu'atah).

2. What is the Shariah concept(s) applicable?

The Shariah concepts applicable are Ijarah, Wakalah, Bai' & Wa'd

- ITB Financing is a leasing contract (Ijarah) followed by sale by way of conduct (Bai' Mu'atah). Under the leasing contract, the customer leases the asset from the Bank at an agreed rental payment over a specific period. Upon expiry of the leasing period, the sale of lease asset from the Bank to customer shall be effected by way of conduct (Mu'atah) based on agreed price.
- In the occurrence of any event of default or the lease is dissolved before its maturity, the customer is required to purchase the asset from the Bank based on promises and undertakes (Wa'd) given by the customer to the Bank.
- Under the Wakalah, the Bank appoints the customer as an agent to do all acts with respect to the purchase of the Goods from the dealer on behalf of Bank.
- The customer shall pay the security deposit (urbun) to the dealer, which shall be considered as the deposit to be paid by the Bank.
- The usage of the asset by the customer is at the customer's risk and the Bank shall have no responsibility or liability for any loss or damage to the asset resulting from the customer's negligence.
- The Bank also appoints the customer as its service agent in all matters pertaining to the major maintenance on behalf of the Bank and also ordinary maintenance and repair. The customer as service agent will bear all the costs, charges and expenses in carrying out the major and ordinary maintenance and repair.

3. What do I get from this Product?

- Ta'widh (compensation) for Late Payment

The Bank has the right to be compensated on late and default payment based on the following mechanism:

Before maturity

Actual loss up to 1% on overdue payment for facility within default period as per the following formula:

$$\text{Overdue Installment(s)} \times 1\% \times \text{No. of Overdue day(s)} / 365$$

After maturity

The Bank shall collect compensation charges from date of maturity to date of payment on actual loss up to prevailing IIMM rate on outstanding balance, as per the following formula:

$$\text{Outstanding Balance} \times \text{IIMM}\% \times \text{No. of Overdue day(s)} / 365$$

Post Judgement

The court may impose a late payment charge on judgement debt, subsequent to the judgement.

The formula for late payment charges on post judgement as following:

Notes:

- i. IIMM = Islamic Interbank Money Market
 - ii. The compensation for late payment shall not be compounded or by any other method approved by the Shariah Advisory Council of Bank Negara Malaysia.
 - iii. *The Bank may charge the actual cost/ loss incurred up to 1% or IIMM rate, whichever is lower.
- Legal action will be taken if you fail to respond to reminder notices. The security may be enforced and you will have to bear all costs. You are also responsible to settle any shortfall after the security is disposed.
